COFFEE POT RESTAURANT - 1950s

COFFEE POT RESTAURANT - 2010s

## What Makes The Coffee Pot Perk?

Welcome to the Coffee Pot Restaurant! You have chosen one of the most popular dining establishments in Red Rock Country - a place not to be missed while visiting scenic and wondrous Sedona. No doubt, upon your arrival today, you noticed the imposing Coffee Pot Rock for which we are named. This famous rock formation provides an awesome background for photo opportunities before or after your visit with us. If space is available and weather permits, request seating on our charming redwood patio where you may relax by the pond & enjoy the soothing sounds of our waterfall.

We are proud of the endless praise and repeat business the family-owned Coffee Pot Restaurant has enjoyed for over twenty years now! Ask the locals, many of whom frequent the Coffee Pot on a daily basis: "Where's the best place in town for an inexpensive breakfast or lunch, great Mexican food or just a good cup of coffee?" Our reputation speaks for itself - just look at the parking lot! Many of our customers, upon returning home, have written complimentary letters about their

experience here. We have been featured in the *LA Times* and the *NY Times* and on TV four times - twice on ABC-TV News Specials and most recently on Cable TV's *Food Network* and *The Travel Channel*. We are one of a select few Sedona restaurants favorably reviewed by food critic Nikki Buchanan in *Phoenix Magazine*. Even Rachel Ray has recommended us, YUMO!

Our restaurant is unique - truly a landmark here in Sedona - ever since the 1950s when we barely had a paved two-lane highway. As a matter of fact, this particular spot at Coffee Pot Drive, is the restaurant's third location in Sedona. Previously, this building housed a grocery store, furniture store, and a restaurant bar, "Dudes," owned by former Sedona resident, actress Jane Russell of *Outlaw* fame.

A few of the many features that keep our loyal customers "coming back for more" include our famous **101 Omelettes**, breakfast served all day, **authentic Mexican food**, and the rich, robust, freshly ground **Colombian coffee**. All of our generously

portioned and reasonably priced meals are prepared fresh daily. It's no wonder we have been awarded "Best Overall Bargain in Sedona" and "Best Breakfast in Sedona" year, after year, after year.

It is rare to encounter a menu as extensive as ours, offering over 300 selections. Feel free to peruse the menu, and be sure to ask your server about our daily specials. For those interested in vegetarian or health conscious choices, we have provided a full page of menu items. We offer a large variety of domestic and imported beer and varietal wines. Or, treat yourselves to one of our tangy Bloody Marys, refreshing Mimosas or popular Margaritas. Cappuccino and Espresso are available as well as milkshakes.

Recent changes at the Coffee Pot include:

- Smoke-free patio by popular demand.
- A special section in the menu "for the kids."
- Rich, robust Colombian coffee freshly roasted here in Arizona (available for sale in our gift shop).
- New Hours - We now serve breakfast and lunch only.

• A phenomenal gift shop stocked with a unique collection of eclectic treasures from around the world. The variety of one-of-a-kind items never ceases to amaze our customers. Our coffee mugs are available for purchase there. Our gift shop has become as popular as the restaurant, so be sure to stop in and check it out!

But for now, sit back and relax. Enjoy the great food, the incomparable "people watching" and the fast and friendly service (customers frequently comment that they are in awe of the amazing pace of our servers and bussers). We have provided a comfortable and informal setting with an ambiance that stimulates lively conversation. We hope that the Coffee Pot becomes your "home away from home." Here you can sample the *flavor* of Sedona and discover why the Coffee Pot Restaurant, a Sedona tradition, will surely become a special memory of your visit. Come back soon and be sure to tell your friends and family about the Coffee Pot experience!
